MBI & MBO Club. The Club is sponsored jointly by Enterprise Investors and Pedersen & Partners. It focuses on the issues and challenges facing ambitious managers who would like to become or already are company owners, through a management buy-in (MBI) or management buy-out (MBO). The Club operates as an informal network of a select group of successful top managers from the countries of Central & Eastern Europe and is a forum for identifying opportunities, exchanging ideas, and developing contacts. Club meetings take place usually two times a year in each of the affiliated countries. They combine opportunities for informal networking with structured presentations that are designed to help members realize their MBI or MBO plans. By joining the Club, members gain access to an extensive network of useful contacts and advisers. There is no membership fee.
