**MBI & MBO CLUB** The Club is sponsored jointly by Enterprise Investors and Pedersen & Partners. It focuses on the issues and challenges facing ambitious managers who would like to become or already are company owners, through a management buy-in (MBI) or management buy-out (MBO). The Club operates as an informal network of a select group of successful top managers from the countries of Central & Eastern Europe and is a forum for identifying opportunities, exchanging ideas, and developing contacts. Club meetings take place usually two times a year in each of the affiliated countries. They combine opportunities for informal networking with structured presentations that are designed to help members realize their MBI or MBO plans. By joining the Club, members gain access to an extensive network of useful contacts and advisers. There is no membership fee.

**Wojciech Cetnarski** has outstanding experience in the energy sector, and also in working with private equity funds. In 2012 he was appointed chairman of the board of Wento, a company created by Enterprise Investors to manage the construction of wind farms in Poland. In 2009–2012 he was on the board of Norvento Poland Sp. z o.o., a company that prepared wind farms with a capacity of about 70 MW for construction. As one of the founders of Polish Energy Partners SA, he served from 1997 to 2003 as chairman of that company's board and its CEO. PEP, co-owned by EI, successfully debuted on the Warsaw Stock Exchange in 2004. While at PEP, Mr. Cetnarski started building one of the first wind farms in Poland. Since 2001 he has served as vice president of the Chamber of Industrial Power Engineering in Poland. More info on: [www.wento.eu](http://www.wento.eu)
